

State of Vermont
Department of Environmental Conservation
General Discharge Permit 3-9001 (2003)
Contractor Request for Co-Permittee Status

I hereby request authorization, for myself as an individual or on behalf of _____ (Partnership, Association, or Corporation), to discharge stormwater runoff from construction activities that have been authorized under NOI No. _____. In requesting co-permittee status, I hereby certify under the penalty of law that I have read and am familiar with the terms and conditions of this National Pollutant Discharge Elimination System General Permit 3-9001 (2003) for Stormwater Runoff from Construction Sites and that all construction activities related to this authorization request will be done in accordance with the approved erosion prevention and sediment control plan and in compliance with the aforementioned general permit. I understand that commencement of construction activities prior to authorization may constitute a violation of state and federal law.

This application shall be signed consistent with the Vermont Water Pollution Control Permit Regulations, Chapter 13.2 (e) (1974):

- a. In the case of corporations, by a principal executive officer of at least the level of vice president or his/her duly authorized representative, if such representative is responsible for the overall operation of the facility from which the discharge originates.
- b. In the case of a partnership, by a general partner.
- c. In the case of a sole proprietorship, by the proprietor.
- d. In the case of a municipal, State or other public facility, by either a principal executive officer, ranking elected official or other duly authorized employee.

Mail request to: VT Department of Environmental Conservation
Water Quality Division, Stormwater Section
103 South Main Street, Building 10 North
Waterbury, VT 05671-0408

NOTE: Co-permittee status is effective upon the Department's receipt of this form. A confirmation of receipt will not be issued unless requested.
