For Department Use Only:

**VERMONT DEPARTMENT OF ENVIRONMENTAL CONSERVATION
AUTHORIZATION TO DISCHARGE**

A determination has been made that the proposed construction activities qualify for coverage under General Permit 3-9001 (2003). Subject to the conditions of General Permit No. 3-9001 (2003), the applicant is hereby authorized to discharge stormwater runoff from a construction site as described in this Notice of Intent Number _____ .

Dated at Waterbury, Vermont this _____ day of _____, 2003.

Jeffrey Wennberg, Commissioner
Department of Environmental Conservation

By _____
Wallace McLean, Director
Water Quality Division

PUBLIC COMMENT

Public comments concerning this Notice of Intent to discharge under General Permit No 3-9001 (2003) are invited and must be submitted within 10 days of receipt of this Notice by the Municipal Clerk. Comments should address how the application complies or does not comply with the terms and conditions of General Permit No. 3-9001 (2003). A letter of interest should be filed by those persons who elect not to file comments but who wish to be notified if the comment period is extended or reopened for any reason. All written comments received within the time frame described above will be considered by the Department of Environmental Conservation in its final ruling to grant or deny authorization to discharge under General Permit No. 3-9001 (2003). Any person may, within thirty (30) days of the final decision by the Department of Environmental Conservation to grant or deny authorization to discharge, appeal the ruling to the Vermont Water Resources Board pursuant to 10 V.S.A. Section 1263(b) and 1269.

Send written comments to: VT Department of Environmental Conservation
Water Quality Division, Hydrology Section
103 South Main Street, Building 10 North
Waterbury, VT 05671-0408

Please cite the NOI number in any correspondence.

A copy of General Permit No. 3-9001 (2003) may be obtained by calling (802) 241-3770; by visiting the Department at the above address between the hours of 7:45 am and 4:30 pm; or by downloading from the Water Quality Division's Web site at www.vtwaterquality.org.

INFORMATION FOR MUNICIPAL CLERK

Title 10 Chapter 47 §1263(b) provides for the public notice of an applicant's intent to discharge stormwater runoff from a construction site. Please post this notice in a conspicuous place for 10 days from the date received. If you have any questions, contact the Water Quality Division of the Department of Environmental Conservation at (802) 241-3771. Please date this below as to when it was posted. Thank you for your assistance.
